Regarding our sale Tip Sheets

Our 2021 Louisiana Mixed selections for complete 2021 sale were based on our preliminary screening and elimination process. You'll see all the Louisiana selections we made for 2021 sale day here to narrow further. We had **14 four of which are breeding stock** selections meeting our early phase in narrowing livestock, based on reviews of under tack, education and with a bit of science applied. Individuals should hire further professionals from the equine industry before using our opinions for any final purchasing decisions they may take. The outcomes continue today.
